# Review of Walking Access Act

MPI is reviewing the Walking Access Act.

It is important they hear from people interested in access to the outdoors. The Act is about increasing free access to tracks, trails and other areas for all sorts of recreation associated with walking – including hunting and fishing.

One way that you can contribute feedback to this review is by attending one of the three upcoming public meetings. Anyone is welcome to attend these meetings and share their views. Feedback will be captured and analysed along with the written feedback we receive.

17 June 2019 – Wellington, MPI, Charles Fergusson Building, 34-38 Bowen Street, 6 to 8pm

18 June 2019 – Auckland, Grand Mercure Hotel, 8 Customs Street East, 6 to 8pm

19 June 2019 – Christchurch, Novotel, Cathedral Square, 6 to 8pm

If you are planning to attend a meeting please RSVP one week in advance (if possible) to [walkingaccessreview@mpi.govt.nz](mailto:walkingaccessreview@mpi.govt.nz). Please include the attendee's name and best contact email address.

There will also be a small number of hui, which will have a focus on issues of particular interest to Māori. Dates and venues for the hui will be confirmed soon and available on the MPI website.

Information about the review, a public feedback paper, a summary of that paper, and details on how to provide written feedback on the review are available at: [www.mpi.govt.nz/walkingaccessreview](http://www.mpi.govt.nz/walkingaccessreview).

Please note that the public feedback period will close on 2 July 2019.
